PRODUCT DESCRIPTION

Features:

- Round fender covers 1 tire on your single-axle trailer
- Acts as a splash guard to keep road debris from hitting other vehicles and to help protect your trailer's cargo
 - Diamond tread plating provides a stylish look and non-slip surface
- Sturdy, lightweight, 14-gauge aluminum construction resists corrosion
 - bolt-on installation
 - Not pre-drilled

- Mounting brackets for bolt-on installation sold separately
 - Made in the USA
