PRODUCT DESCRIPTION

Features:

- Heavy-duty brackets let you mount a bunk board on your boat trailer
 - Ideal for big bunk boards, such as 3×8 or 4×8
 - (2) 1/2" Diameter U-bolts (sold separately) required for installation
- 4 Pre-drilled holes on each bracket let you raise or lower the bunk board during installation
 - Secure board vertically on its side between the brackets with a 1/2" bolt (sold separately)
 - Galvanized steel resists rust and corrosion
 - Suitable for saltwater exposure
